

## TERMINAL ACTUATOR TOOLS

BW, BWMA

3808.0

BWMA 1 (0.5 x 3.5), Cable Insertion tool for ZRK/PRK

- Cable Insertion Tools
- ZRK 2.5mm Tension Spring
- FRK 2.5mm Pressure Spring
- 1 to 10 way
- BWMA 1 Universal PRK/FRK/ZRK

### PRODUCT DESCRIPTION

The range of BW and BWMA tools are designed to be used with the 2.5mm range of spring terminals.

BW tools are available in 1 to 10 way and allow you to open multiple terminals simultaneously, making it quick and easy to connect the cables.

The BW plastic actuating tools offers improved safety when working on live system and the metal single BWMA tools are angled to help in locations where space is limited.
