

MOLEX - MPM LIGHT ADAPTERS DIN

A06C4H

Form A, Light Adapter, C4, 24V, Yellow

- Perfect for fault finding
- Quick and simple installation
- LED and transient protection

PRODUCT DESCRIPTION

DIN Adaptors with protective circuit. The range covers the most important and common applications.

TECHNICAL DATA

| | |
|-----------------------------|--------------------|
| Circuit | C4: LED & varistor |
| Colour contact | Black |
| Colour LED | Yellow |
| Current max | 16 A |
| IP class | IP65 |
| Manufacturer part no. | 1210010219 |
| Material contacts | Brass |
| Temperature operational max | 90 °C |
| Temperature operational min | -40 °C |
| Voltage ac/dc max | 24 V |
