

**WLK/FLK, BEACON, Ø60MM**

820001900

Steady beacon, Ø60mm, Amber, WLK

- Ø60mm Beacon
- Steady, Flashing or Strobe options
- >250 V ac/dc Control voltage

**PRODUCT DESCRIPTION**

The WLK and FLK Series from AUER provide a cost-effective signalling solution with a high performance-to-price ratio and robust IP65 protection, making them ideal for general industrial signalling applications. These beacons come in a compact Ø60mm size and offer versatile operation modes including steady, flashing, or strobe options. Designed for flexibility, the units support both horizontal and vertical mounting. The FLK Series features a bright Xenon strobe beacon, while the WLK Series includes an incandescent bulb beacon. Both series operate with a control voltage of over 250 V AC/DC, ensuring reliable performance in various environments.

**TECHNICAL DATA****GENERAL DATA**

Lens colour	Orange
Light source	LED
Lamp socket	BA15d
Light type	Steady
Housing Colour	Black

**RATED OPERATING CONDITIONS**

Operational temperature	-30°C ... 60°C
-------------------------	----------------

**DIMENSIONS**

Weight	40 g
Diameter	60 mm
Height	77 mm

# ADDITIONAL DATA

IP class

IP65
