

**R-SERIES, MULTIFUNCTION, ULTRA PERFORMANCE, Ø110 MM**

850541004  
RDMUP LED multifunction beacon Ultra Performance  
12V DC Amber

- The brightest LED Signal Beacon on the market
- Up to 450 Cd luminous intensity (colour-dependent)
- Ultra bright outdoor signaling for wide area coverage
- Focused Light emission below and above the beacon to prevent blinding in nearby area
- Best in class: excellent homogenous circular light distribution – no blind spots

**PRODUCT DESCRIPTION****TECHNICAL DATA****GENERAL DATA**

Lens colour	Amber
Light source	LED
Light type	Multi-function
Housing Colour	Black

**RATED OPERATING CONDITIONS**

Operational temperature	-30°C ... 60°C
Nominal current	4180 mA
Voltage range	+/-10%
Nominal Supply Voltage	12 V DC

**DIMENSIONS**

Weight	224 g
Width	110 mm
Diameter	110 mm
Height	124 mm

## ADDITIONAL DATA

**IP class** IP66

**IK class** 8
