

POE INJECTOR

POE.8AT-DC1

PoE Injector 8 ports 48-56VDC

- DC 48-56 V input
- 8x 30 W ports (acc. to IEEE 802.3at)
- Data transfer rate 1000 Mbps
- Plug & Play installation and DIN rail mounting

**PRODUCT DESCRIPTION****TECHNICAL DATA****INPUT DATA**

Input voltage dc max	56 V DC
Input voltage dc	48-56 V
Input voltage dc min	48 V DC

OUTPUT DATA

Output current per channel	0,63 A
----------------------------	--------

EFFICIENCY / LIFETIME / MTBF

Efficiency	96,1 %
------------	--------

DIMENSIONS

Weight	0,36 kg
Depth	117 mm
Width	39 mm
Height	128 mm

OTHER

IP class	IP20
----------	------

Temperature min without derating	-45 °C
Approvals	CE, EAC
Temperature max without derating	60 °C
Material protection	Aluminium
Cable size stranded max	1,5 mm ²
