

POWER SOCKETS - SD 035

SD 035

03500.0-00

SD 035 Germany/Russia Socket, with fuse, 6.3A

- Simple mounting with clips on DIN rail
- Quick connection with push clamps
- With or without fuse holder
- 9 Socket Variants

PRODUCT DESCRIPTION

The socket is easily mounted on 35 mm DIN rail and connected with screwless push clamps. Sockets are available for most countries and all with or without fuse holders.

TECHNICAL DATA

GENERAL DATA

Socket	DE/DK/FI/NO/RU/SE
Mounting	Clip on, DIN rail
Connection type	3 x pressure clamp
Fuse max	6,3 A
Nominal socket current	6,3 A

DIMENSIONS

Length	92 mm
Width	62 mm
Height	92 mm

SAFETY & APPROVALS

Flammability class	UL94-V0
IP class	IP20
Protection class	I (earthed)
Approvals	EAC, RoHS

MATERIALS - CONDITIONS

Operational temperature	-45°C ... +70°C
Material plastic housing	Plastic
Colour	Light grey
Storage temperature	-45°C ... +70°C
Humidity storage	<90% RH
Operating humidity	< 90% RH
Voltage max	250 V ac
Weight	0,2 kg
