

## SIGNAL TOWER Ø 30MM, PRE-ASSEMBLED

C30B024H10AGD

Signal tower, 30MM, 24VAC/DC

- Compact (ready to use) LED signal tower
- Tower is built and supplied according to customer's requirements
- Wide control voltage range

### PRODUCT DESCRIPTION

The Compact range of signals towers allows you to order a fully assembled, pre-wired signal tower perfect for your requirements.

- Modularly designed flexible LED signal tower system
- Signal tower is supplied ready for installation according to buyer's specifications
- Reduced mounting and installation effort
- Available in voltages 24 V AC/DC, 110/120 V AC und 230/240 V AC
- 6 lens colours – 2 housing colours
- Certified to UL type 4/4X/13
- Excellent price-performance ratio

Quick mount foot adaptor system

- Simple and cost saving disassembly of signal tower for transport of machine, etc.
- Quick cost saving installation of complete signal tower at client
- Immediate function, no electrical connection required at client
- Safe transport of signal tower (separately packed)
- Additional locking option of signal tower with safety screw that cannot be lost
- Signal tower fits only in one position onto the foot adaptor lower part - no wrong installation of signal tower possible
